Plaintiff and Defendant, through their respective attorneys, hereby stipulate that Plaintiff shall have a second extension of time of (45) days up through and including Tuesday, June 8, 2010 in which to e-file his Motion for Summary Judgment. This extension is necessitated by two factors. First, Defendant, while timely filing its answer, encountered a delay in providing the transcript, with the result being that the parties had to stipulate to a first extension of time for Plaintiff's e-filing. [See Stipulation and [Proposed] Order, Docket No. 16, March 5, 2010.] Second, because of this, Counsel's strict internal timetable for

1 briefing cases, which is based on the filing date for each, had to be reconfigured. The time  
2 requested in this stipulation is the result of that reconfiguration.
